

**DEER TRAIL**  
ASSISTED LIVING™

## Features of Assisted Living Apartments and Additional Memory Care Amenities

*All the comfort of home*

Deer Trail is an inviting community made up of two neighborhoods. One neighborhood caters to assisted living and the other to memory care, and it's all nestled in a single-story, smoke-free environment that offers all the comforts of home. It's a welcoming, family-friendly atmosphere where residents are free to make their apartment feel just like home with personal touches, from comforting colors to a favorite chair.

### **The Features of Assisted Living Apartments Include:**

- Spacious one and two-bedroom models for living, enjoying a great book, or just dining, and dozing (private bath per plan)
- Nine-foot ceilings and personal air conditioning/heating controls
- Optional private porch and courtyard access for outdoor strolls (per plan)
- Kitchenette worthy of an afternoon tea or a midnight snack. Includes microwave, sink, and refrigerator
- Large bathroom with comfort-height toilet, walk-in shower, and easy-access doors
- Carefully appointed interior lighting, fixtures, colors, and finishes
- Basic cable and internet wiring
- 24-hour emergency response system with individual pendants

### **Additional Memory Care Amenities Include:**

- Thoughtfully designed atmosphere for the special needs of people with Alzheimer's
- Continuous and calming hallways
- Specially designed armoire closet
- Access to a secured garden courtyard to soak in the outdoors
- Welcoming, personalized apartment entrance
